

ELIGIBILITY DECLARATION FOR VAT

Value Added Tax (known as VAT) is a tax paid by all consumers when you buy goods and services in the European Union including the United Kingdom. In the UK the current rate of VAT is 20%.

Those who are registered disabled or chronically ill do not have to pay VAT when they purchase equipment that has been designed specifically for disabled people.

The rules about VAT relief for disabled and those who are chronically ill are complicated. Not all products supplied to those who are disabled/chronically ill are VAT free.

If you are unsure as to whether you are eligible to receive certain good or services without paying VAT please consult your local VAT office, see HMRC Notice 701/7 or visit the Government's own website for more details. This can be found by visiting the website:

www.direct.gov.uk/en/DisabledPeople/FinancialSupport/Taxreliefandreductions/DG_10028495

Or the HMRC website at www.hmrc.gov.uk/vat/sectors/consumers/disabled.htm

Alternatively you can call their helpline on 0845 302 02 03.

If you are eligible to receive certain goods designed for the disabled/chronically ill without paying VAT then please complete the declaration form on the next page and post it to us. The address is Ability Superstore, Lomeshaye Business Village, Turner Road, Nelson BB9 7DR. Please note that VAT will still be charged on any delivery/postage charges.

If you are purchasing appropriate products for use by yourself or someone who meets the required eligibility criteria this form requires completion please.

Please note that there are penalties for making false declarations.

If you require any further advice please call us on 0161 85 00 88 4.
